

Transformation Education LLC

Helping Professionals Reach Their Dreams of Success

Coaching and Mentoring for Professionals and Academics

Characterized by a compassionate spirit, keen insight and gentle humor, Kathy thrives on walking along side her coaching clients on the often otherwise isolated professional and life journey.

Dr. Kathy King, Certified Professional Coach

Support Is Here

From professional, to life, career and educational coaching, Dr. King and the Empowerment Team of Transformation Education LLC can help you identify, plan and reach your professional goals.

We have found many professionals, professors, educators, and doctoral students may be confused and searching for help in meeting the professional requirements set before them. Our Empowerment Team offers professional assistance and guidance on a personal and confidential basis for this very purpose.

Why Coaching?

- Listen to Coach Dr. King on this audio file!

Expertise

The company is led by the renowned professor Dr. Kathy King, who has received over \$13 million in funding, published 17 books, and is deeply committed to coaching other academics and educators. In addition to her professional achievements in academia, she is a specialist of research in adult and higher education. She has an earned doctorate in these areas as well as 2 masters and a BA, as well as being a certified professional life coach. Our team of professionals is eager to personally support your career development.

Let Us Explore New Opportunities with You on Your Professional Journey

Personal and Professional Transformation

Personal and professional transformation are central to our vision and commitment at Transformation Education.

What People Say About Dr. Kathy King's Coaching

- *Kathy King is an exceptional coach, especially given the wealth of personal, academic and business experience that she shares with her clients. She has a unique ability to inspire greatness in others through her positive outlook and contagious enthusiasm. It is a pleasure to have her as a coach, and I know she will continue to assist many to confidently open and pass through new doors in their lives. ~ Stephanie C (6/2009)*
