## **COUNCIL OF FELLOWS CALL FOR APPLICATIONS**

Text and Academic Authors Association is pleased to initiate a call for application to the Council of Fellows. Induction into the Council of Fellows is the premier honor bestowed by TAA. Through membership in the Council the organization seeks to recognize distinguished authors who have a long record of successful and diversified publications. Any author whose textbooks or academic articles have established his/her presence in their field over time and who has been innovative in the presentation of material may apply for the TAA Council of Fellows.

TAA will recognize authors selected for induction into the Council of Fellows from time to time at its annual conventions, providing these Fellows with special engraved medallions commemorating their induction. They will also receive free lifetime membership in TAA. To be initiated into the Council, applicants must be in attendance at the 2008 TAA annual June conference when the award is bestowed.

**Applications are due November 30, 2007**, and should be sent to **Text and Academic Authors, P. O. Box 76477, St. Petersburg, FL 33734**.

Applications must include documentation in support of the Council of Fellows criteria enclosed.
